INFORMED CONSENT TO MASSAGE THERAPY TREATMENT

I hereby consent for my therapist to treat me with massage therapy for the above noted reasons, including such assessments, examinations and techniques which may be recommended by my therapist.

I acknowledge that the therapist is not a physician and does not diagnose illness or disease or any other physical or mental disorder. I clearly understand massage is not a substitute for a medical examination. I understand no assurances or guarantees have been made to me as to the results of this treatment. I understand that as with any treatment there may be risks and any risks have been explained to me and I assume responsibility for those risks.

I understand that the massage therapist must be fully aware of any existing medical conditions and that I have completed my health intake form accurately. I also agree to keep the therapist apprised of any new conditions.

I agree to notify my therapist of any Covid 19 symptoms I may be experiencing such as, but not limited to, fever, cough or congestion and agree to reschedule my appointment should I be experiencing any of these symptoms. I understand my therapist will reschedule as well should he/she be experiencing any of these symptoms.

I authorize my therapist to release or obtain information pertaining to my condition(s) and/or treatment to/from my other medical providers or third party payers.
